

When entering an occupied residence, always observe and report the following conditions:

HVAC

Is there storage?
Any unusual sights, sounds or smells?

Living Area

Does the smoke detector show signs of tampering?

Are there extensive extension cords?

Are there unauthorized space heaters?

Are there signs of water damage?

Are window guards secured?

Front Door:

Did the door fully open & close tightly?

Bath

Kitchen

Are there signs the oven is used to heat the home?

Are there signs of rodents or insects?

Are water shut-offs accessible?
