

PREPARE YOUR DEPARTMENT & FAMILY FOR HURRICANES & SEVERE WEATHER EVENTS

The department and community will rely on you for extended shifts during response and rescue operations, it important to prepare your family to ensure their safety in your absence.

Department Preparation

- Update your contact information.
- Update your availability and family conflicts.
- Have spare gear and personal effects in your locker.

Family Preparation

- Inspect and prepare your home and yard.
- Gather insurance information in safe place.
- Ensure your partner has emergency contact numbers for utilities and home repairs.
- Have spare cash and medication on hand.
- Arrange for emergency childcare & pet care.
