

How to Receive Push Notifications on the NJMEL Mobile App

If you would like to receive communications from MEL and MSI related to your position or operations follow the directions below to select from the list of available Push Notification “subscriptions.”

Step 1: Download the NJ MEL App from your app store.

Step 2: Select how the app can use your location.

Step 3: Allow the app to use your location

Step 4: Enable push notifications Must click “Notify Me” if you want to receive these communications.

Step 5: Click “Allow” to confirm notifications which you can configure in settings.

Step 6: Click on the “mailbox” icon on the top right and tap “sounds good” to go to Push Notifications.

Step 7: On Push Notifications page click on the “gear” icon.

Step 8: Tap the buttons on the list of “subscriptions” to add or delete these notifications from your preferences. (This can be changed at anytime)

Step 9: Review your choices, green button means “on” white button means “off,” click “Save.”
