

National Volunteer Week April 17-23

Law Enforcement Bulletin 2022-4

Civic engagement and volunteer service strengthens the fabric of our Nation and reflects the true heart, spirit, and goodness of America. National Volunteer Week is an opportunity to recognize and honor the countless individuals who selflessly invest in the lives of others. These ordinary citizens make extraordinary contributions to individuals, families, neighborhoods, communities, and our Nation.

Law enforcement leaders are reminded that we should provide the necessary and appropriate training for volunteer personnel within your organizations. This training should include topics such as workplace harassment, social media policy, and the safe protection of minors. Most of this training can be conducted online and at no cost to the agency.

Guidance on these topics can be found on the MEL Safety Institute website using the following links:

Take a moment this week to thank those volunteers who donate their time to the community and let them know that their sacrifice has not gone unnoticed.
