

EMPLOYER TRAINING GUIDE

BLOODBORNE PATHOGENS / EXPOSURE CONTROL PLAN

The classroom portion of Bloodborne Pathogen, as presented by J.A. Montgomery Consulting, reviews the OSHA and NJPEOSH regulations.

It is the responsibility of the employer to review the following specific procedures and policies for their organization.

Required Knowledge to be Reviewed by a Representative of the Employer	Rep. Initials	Date
Program Administrator name and contact information		
Location of Exposure Control Plan & vaccination program		
Identification of workplace exposures and potential exposures		
Available of Engineering & Work Practice Controls and personal protective equipment		
Clean-up and decontamination supplies and procedures		
Post-exposure reporting (including after-hours) and follow-up procedures		

Student(s) who completed the above training:

Student Name (print)	Signature	Date

Continue on rear if needed
