

WHAT'S YOUR WORKPLACE CHALLENGE?

Is it employee lifting injuries? Setting up work zones on a road? Giving feedback to an employee?

MSI infographics can help. Infographics are short, visually appealing bursts of information that can be used immediately and posted as a reminder. Infographics are available on multiple topics including but not limited to:

- Bench Grinder Safety
- Exiting Vehicle with 3-points of Contact
- Lift Safely
- MSI Delegation
- Prevent Heat Illnesses at Work
- Road to Resolving Conflict
- School Crossing Guards: Their Safety Starts with You
- Service Dogs in Public Settings

Visit the [MSI Forms and Document](#) webpage and click on the [Infographics](#) button to see all the MSI Infographics available. Download one or more and share with your team.
