

MSI LEADERSHIP ACADEMY

The MEL Safety Institute (MSI) has created the “MSI Leadership Academy” for law enforcement supervisors, aspiring police leaders, command staff, Chiefs, and other public safety professionals interested in strengthening and expanding their leadership and management skills. The program’s goal is to enhance leadership capacity by offering varied, in-depth training designed to support effective supervision, decision-making, and communication. Individuals who complete the program’s requirements within two years will receive plaques commemorating their graduation from the MSI Leadership Academy.

Classes will be offered through MSI LIVE and will be a combination of virtual and in-person at various locations throughout New Jersey.

The student will complete the mandatory and elective courses within the two-years from your start date. If you have taken any of the classes before your enrollment, you will need to retake the class to complete the academy.

Complete within Two Years and Receive an MSI Leadership Academy Plaque
